June Meeting:

Our very own Dan Tennesen will be presenting a program on the Importance of Chambourcin in Dry Red Wines of Missouri and Illinois. Hope to see you all there!

Have you made any Chambourcin? If so, please bring two (2) bottles – we'll settle for one if you don't have two to spare – to our meeting for the evening's tasting. Please let our Cellarmaster, Tony, know by either calling (314) 353-4927 or emailing him at "btjurkovich@hotmail.com" If you call, we have a new answering machine with a generic woman's voice, so please don't think you have the wrong number. Just leave a message. If you have Chambourcin and cannot make our meeting, please let us know so we can arrange to get it from you.

Illinois Field Trip

Last month we visited Genkota and Pheasant Hollow wineries in Illinois in place of our May meeting. We tasted plenty of wines, enjoyed some Cajun food at Pheasant Hollow with more wine, and had a very enjoyable day. A special thanks goes out to Pheasant Hollow Winery and Denny Franklin, Winemaker, for giving us a tour of their winery facilities.
