

The Missouri Winemaking Society

Newsletter

July 2005

Next Meeting:	Thursday, July 21, at 7:30 PM
Meeting Place:	Maplewood Community Pool Bldg., 7550 Lohmeyer, Maplewood, MO
Website:	www.mowinemakers.org
Submitted by:	Barb Jurkovich, Secretary

July Meeting:

This Thursday, July 21, the Missouri Winemaking Society meeting will feature a nationally recognized sommelier who will be demonstrating the characteristics of Missouri wines, which we will be tasting.

We would like to have a good showing of members and guests and realize this time of year many people are on vacation, etc. Please mark your calendars and plan to attend and bring your spouse, friends, relatives, co-workers, anyone you can think of who might enjoy learning more about Missouri wines while tasting them.

For those of you who have never joined us for the meeting or only came a time or two, we would love to have you join us. I don't think you will regret it.

Directions:

From the intersection of Big Bend and Manchester, go west on Manchester (the gray 2-story building of Cavalier Ford will be on your right). At the end of the gray 2-story building, turn right (north) onto Martini. (Martini looks like it could be an alley, but it's not.) Turn left (west) at the first street (Lohmeyer). You will pass Maplewood High School on your left. Keep going toward the end. We meet in the smaller building on the left that says "Maplewood Municipal Pool" on the front of it. If you are bringing anyone with you, carpooling would be a good idea since the pool will be open. Just come in the front door and go to your right. If you have any questions, please don't hesitate to call Barb and Tony at (314) 353-4927.

June Meeting:

Many thanks to MWS member Dan Tennesesen for an excellent program on the Importance of Chambourcin in Dry Red Wines of Missouri and Illinois. Dan obviously put in a serious effort, complete with PowerPoint presentation. It was certainly informative. Thanks again, Dan.
