

FEBRUARY 2023 MISSOURI WINEMAKING SOCIETY MEETING

Thursday's MWS meeting was very informative with the head winemaker from Defiance Ridge, Tom Murphy, better known as Murph. Member, Brian Prunty reached out to Murph to be our February presenter. Murph readily agreed. He passed along a lot of useful information that makes Defiance Ridge one of the best wineries in Missouri. We tasted 6 wines that he made. All were delicious! He also brought a bottle of their Norton Port that was full bodied and had a nice long finish. 3 members also shared their wines. Lisa brought her Sparkling Chambourcin Rose', Greg brought his delicious Traminette and Steve brought his delectable Norton port. It was a fun evening enjoyed by all.
