

MAY 18, 2023 MEETING

What an informative May meeting we had. Award winning winemakers, Greg Stricker and Lisa Nordmann gave presentations on how to make award winning white and red wines. We tasted 4 white wines that Greg provided that will definitely be winning many awards this year. All four wines were delicious but his Traminette was absolutely memorable. Lisa provided 3 award winning reds and a 2021 Norton that has great potential for an award. It was a great evening enjoyed by all. Cheers!
